

Second Valid Passport Statement

U.S. Department of State
Passport Agency

I, the undersigned, am the bearer of valid U.S. passport. Due to the restrictive entry policies of one of the countries I plan to visit, or the expected lengthy processing times for obtaining visas for my upcoming travel, I am unable to complete my trip using my current passport. Therefore, I am formally requesting the issuance of a second United States passport to facilitate my travel to the countries listed on my passport application. I acknowledge that this second passport will have a validity period of four years and that I may reapply for it when necessary.

In the event that either of my two passports is lost or stolen, I commit to promptly reporting the circumstances of the loss to Passport Services. If I am abroad at the time, I will report it to the nearest U.S. Embassy/Consulate.
